### Summary:

Would you like to own a complete turn-key online sales and marketing automation system that offers:

- Secure Real-time Credit Card Processing And Digital Product Delivery
- An ordering system that immediately allows you to plug in an unlimited number of products, process credit cards in real-time, and digitally ship ebooks, software or info products in seconds
- Undetectable digital product delivery using Cloak Technology so customers can download your product without ever knowing its location!
- Built-in unlimited autoresponders
- Totally integrated tracking to manage all of your online marketing campaigns, calculate your hits-to-sales ratios, ad profitability, sales statistics and much more

Track all sales, and credit the appropriate affiliate with the correct commission, instantly send them an email to thank them for their referral, and store the customer information into an online management database for you to email to at will - all automatically!

You can run your own shopping cart and affiliate automation solution membership website!

Buy it right now and get full download access.

I'm talking about selling you the whole thing, source code and all to be able to start running your own shopping cart and affiliate solution charging \$49, \$59, or even \$79 a month to as many people as you can.

The Income Potential Is Substantial and Immediate! Depending on what you do with it.

Use this yourself to set up a copy of QuickPayPro on YourDomain.com to run your internet marketing business and never pay a \$79 monthly

payment again to any other shopping cart and affiliate management company!

Set up your own QuickPayPro, or The Other Big Shopping Cart style website and start selling memberships to others for \$49 to \$79 a month

You could run a smaller more personalized site than the big guns offering these services do which will make you a hero to your subscribers!

You Own Full Resale Rights to this Solution so you can sell it in any way that you see fit and at any price you see fit, you can even resell the source code itself.. the only small requirement is that you do not remove the QuickPayPro copyright notice and link to QuickPayPro.com from it.

Change the code to build a new piece of software, you can edit the code in any way you wish to create any type of new project you wish!

Let's recap ....Get Over \$200,000 Worth Of Software Plus You have Master Resell rights Set up your own shopping cart/affiliate system Resell it to others and Make money!

Warning: This is not an illegal clone or knockoff like you may have seen floating around the Internet lately.

This software was purchased with the full resell rights. So now you can obtain a copy just as I did.

This is an offer for the actual source code for the original QuickPayPro Membership site that has been tested and developed over 4 years.

All sales are final due to the resell rights and the value. That means NO refunds.
